

## WHITEBRIDGE HIGH SCHOOL SPORTING WALL OF FAME

We have had several requests from the school about trying to contact former teachers and students who excelled in their chosen sports and were elite representatives for Australia.

The school has set up a "Wall of Fame" in the school Multi-function Centre and would like to build on the memorabilia already on display.

Initial contact by the listed individuals, or to provide some leads, can be made with Mr Renato Martinelli at his school email address
